

Premium coffee concepts

BaristaONE

For **50 – 400** cups per day

All advantages at a glance:

- ✓ **Perfect extraction thanks** to auto adjustable grinders
- ✓ **Four grinders** to make up to four drinks simultaneously
- ✓ **Flexible milk foam solution:** Manually with the traditional steam wand or automatically by a push of a button as 2-step-solution
- ✓ **Miracle Milk Foam technology:** Hot and cold milk foam in different densities and Latte Art quality foam at the push of a button
- ✓ **Plug & Play service:** The Miracle Milk Foam Technology allows the easy exchange of a defective part sent by courier service, without needing a service technician.
- ✓ **5 Liter under table fridge included**
- ✓ Automatic **cleaning program**
- ✓ Intuitive **display**
- ✓ **Different temperatures** for tea water
- ✓ Integrated **cup heater**
